

Carrot Seed Essential Oil

Product Details

Botanical Name: *Daucus carota*

Country of Origin: France

Extraction Process: Steam Distilled

Part of the Plant Used: Seed

Description: Carrot Seed Essential Oil has an earthy, strong, woody aroma. Carrot Seed oil has been used for centuries in vapor and steam baths to increase skin health. Carrot seed oil is found in every day acne products and has also been used in creams and massage oils to help fight arthritis and inflammation of the joints and muscle tissue. With this wide array of healing properties the Carrot Seed oil has been used by itself or in blends to promote skin health, pain relief, and to help rid the body of dangerous toxins.

Common Uses & Benefits: Carrot Seed has been traditionally applied to help arthritis, rheumatism, indigestion, water retention, genito-urinary infections, urinary tract infections, detox, eczema, ulcers, psoriasis, acne, and pimples.

Therapeutic Properties: Calmative, Cytophylactic, Depurative, Diuretic, Hepatic, Regenerative, Vasodilatory.

Directions: Recommended to properly blend in a carrier oil prior to topical applications. Patch test before use in case of sensitivity.

Blends Well With:

Lemon, Spearmint, Cypress, Lavender, Patchouli.

Cautions: Possible skin sensitivity. Keep out of reach of children. Do not use if pregnant or breastfeeding. If under a doctor's care, consult your physician.
