

Frankincense Serrata Essential Oil

Product Details

Botanical Name: *Boswellia serrata*

Country of Origin: India

Extraction Process: Steam Distilled

Part of the Plant Used: Resin Tears

Description: Frankincense Serrata Essential Oil has a woody, green aroma. Not to be confused with Frankincense *Boswellia carterii*, this plant has been used for many of the same reasons. The sap of this tree was often used for embalming, and burial rituals in ancient Egypt and across the Mediterranean for thousands of years and has always been in high demand. Frankincense Serrata Essential Oil is also on high demand for its beneficial skin restorative and soothing properties.

Common Uses & Benefits: Frankincense Serrata has been traditionally applied to help meditation, anxiety, asthma, bronchitis, extreme coughing, scars, stress, and stretch marks.

Therapeutic Properties: Calmative, Expectorant, Sedative, Skin Restorative.

Directions: Recommended to properly blend in a carrier oil prior to topical applications. Patch test before use in case of sensitivity.

Blends Well With:

Cedarwood Atlas, Bergamot, Carrot Seed, Nutmeg, Vetiver, Sweet Orange.

Cautions: Possible skin sensitivity. Keep out of reach of children. If pregnant or under a doctor's care, consult your physician.
