

Ho Wood Essential Oil

Product Details

Botanical Name: *Cinnamomum camphora*

Country of Origin: China

Extraction Process: Steam Distilled

Part of the Plant Used: Twigs and Bark

Description: Ho Wood Essential Oil has a sweet, fresh, woody aroma. Ho Wood Essential Oil's properties and smell are very similar to Rosewood oil. This oil is steam distilled from the bark of the Ho tree located in China and is commonly used for its pain relieving properties. As a member of the Camphor family, it has very similar properties to the Camphor Essential Oil, but does have a different aroma. Ho Wood Essential Oil is perfect to add to any essential oil blend to help boost the immune system, and even to ease skin irritation.

Common Uses & Benefits: Ho Wood has been traditionally used to help with pain, arthritis, swelling, muscle spasms, and bacterial illnesses.

Therapeutic Properties: Analgesic, Anti-inflammatory, Antibacterial, Antispasmodic, Hypotensive, Immunostimulant, Sedative.

Directions: Recommended to properly blend in a carrier oil prior to topical applications. Patch test before use in case of sensitivity.
